THE SOCIETY

HAMPSHIRE INDUSTRIAL ARCHAEOLOGY SOCIETY (HIAS) was founded in 1968 *as Southampton University Industrial Archaeology Group* by members who had attended classes held by Dr Edwin Course at the University Extra-Mural Department and who wished to continue and develop their interest in industrial archaeology. To better reflect its wider scope of interest, and having ceased its affiliation to the University, the name was changed to HIAS in 2002.

The particular interests of HIAS's members cover the whole spectrum of IA, from canals and railways to mining, from steam engines to sewing machines. Our members are active in other societies including groups studying and working on canals, buses, trams, and aeroplanes.

MEETINGS, NEWSLETTERS, VISITS

Lecture meetings are held monthly on Mondays at 7.45pm in

Underhill Centre, St John's Road
Hedge End, Southampton SO30 4AF

They cover a wide range of topics of interest to our members, and are usually illustrated with photos or film and, sometimes, sound recordings or artefacts. Everyone is welcome at meetings, whether members or not; there is no charge.

Members receive a newsletter *Focus on Industrial Archaeology* twice yearly, and an annual *Journal* with longer articles on IA topics.

From time to time HIAS organises outings and field trips to sites, museums, or industrial buildings in Hampshire and further afield. We attend any appropriate conferences or study days in our region and take our turn at organising them.

Our frequently updated web site *www.hias.org.uk* has lots more information about HIAS.

RECORDING, SURVEYING, RESTORATION

HIAS has been involved in a series of surveys of sites, machinery, and buildings, including drawings and photography, the results of which have been published as books or in our *Journal* or newsletter. As many buildings have been or are now being demolished, converted, or otherwise lost, our records have been archived in Southampton University Hartley Library and the Hampshire Record Office in Winchester.

HIAS has also been involved with the physical side of industrial archaeology: cleaning, repairing, and restoring a variety of buildings and machinery.

GIFT AID

As a charity, HIAS can recover tax paid on subscriptions from the government. All you have to do is make a declaration confirming that you pay sufficient income tax – more than your charitable donations. It's simple and doesn't cost you anything but means that HIAS can reclaim £5 on each ordinary subscription and £7.50 on joint ones. You only have to make the declaration once, and can cancel it at any time. (For joint membership, only one of you should sign.)

GIFT AID DECLARATION

I would like *Hampshire Industrial Archaeology Society* (registered charity number 276898) to reclaim the tax on any donation or subscription payment I make on the date below or make hereafter, until I notify you otherwise. I pay UK income tax or capital gains tax each tax year (6 April to 5 April) at least equal to the tax that all the Charities and Community Amateur Sports Clubs to which I donate will reclaim on my gifts for that tax year and recognise that if I do not pay enough tax it will be my responsibility to pay the difference. I will notify you if I no longer pay sufficient tax, or change my address. I note that I am entitled to cancel this Gift Aid declaration at any time by notifying you in writing.
