GIFT AID

As a charity, HIAS can recover tax paid on subscriptions from the government. All you have to do is make a declaration confirming that you pay sufficient income tax – more than your charitable donations.

I would like *Hampshire Industrial Archaeology Society* (registered charity number 276898) to reclaim the tax on any donation or subscription payment I make on the date below or make hereafter, until I notify you otherwise. I pay UK income tax or capital gains tax each tax year (6 April to 5 April) at least equal to the tax that all the Charities and Community Amateur Sports Clubs to which I donate will reclaim on my gifts for that tax year and recognise that if I do not pay enough tax it will be my responsibility to pay the difference. I will notify you if I no longer pay sufficient tax, or change my address. I note that I am entitled to cancel this Gift Aid declaration at any time by notifying you in writing.
